- Students may not apply more than 42 hours above the 100-level of major courses toward a degree. Approved exceptions for Communication & English majors/concentrations (45 hours above 100-level).
- All liberal arts majors are required to complete a minor. A minor is a chosen secondary area of study comprised usually of 18 credit hours in the chosen subject. At least 6 hours of the minor must be at the 300/400 level. Students & advisers are invited to visit <https://catalog.louisiana.edu> where they will find a link to "Undergraduate Minors". Rules and regulations governing minors as well as links to all currently approved minors can be found at the "Undergraduate Minors" link.
- In addition to completing all course requirements for a degree, student must complete **a minimum of 45 hours of 3/400-level courses** out of the total degree hours required (120-124 hours).
- Though a constantly evolving process, transfer courses are currently being evaluated in the respective departments of the courses in collaboration with the Registrar's office. After this, the evaluations are posted on the student's UL transcript. For now, until the evaluations are posted, work with the COLA Dean's office to work out unofficial evaluations and/or degree audits.
- A student shall be required to earn the last 30 hours, applicable to a degree, in residence as a major in the academic college from which he/she seeks a degree.
- Transfer courses for a continuing UL-Lafayette student must be approved by his/her Dean or Dean's designate prior to the student's enrollment in those courses. This is required especially in the student's last thirty (30) hours.
- To file for graduation, student must complete two documents --  
**The degree plan** -- completed with adviser, approved by department head and dean, due in the dean's office at the beginning of the semester before a student expects to graduate. The degree plan indicates what course work remains to complete degree requirements.  
**The application for degree** -- due the semester prior to graduation if the student wants priority registration or at the beginning of the semester the student plans to graduate. The application is a brief form that is used to order the student's diploma. It is available online at the Registrars website <http://commencement.louisiana.edu/graduates/apply-graduation>. There is a \$90 fee, payable at the Student Cashier's office.
